

Anika Reports Inducement Grants Under Nasdaq Listing Rule 5635(c)(4)

BEDFORD, Mass., June 7, 2024 – **Anika Therapeutics, Inc.** (NASDAQ: ANIK), a global joint preservation company in early intervention orthopedics, today announced that on June 3, 2024, Anika granted: (i) non-statutory stock options (“Options”) covering 96,525 shares of common stock at a per share exercise price of \$29.35, which equaled 110% of the closing price of common stock on the Nasdaq Global Select Market (“Closing Price”) on the grant date, and (ii) restricted stock units (“RSUs”) covering 38,520 shares of common stock, to Stephen Griffin, the Company’s recently appointed Executive Vice President, Chief Financial Officer and Treasurer. The grants were made pursuant to the Anika Therapeutics, Inc. 2021 Inducement Plan, as amended, were approved by the compensation committee of the board of directors pursuant to a delegation of authority by the board of directors, and, in accordance with Nasdaq Listing Rule 5635(c)(4), were made as a material inducement to the grantee’s acceptance of employment with Anika as a component of the grantee’s employment compensation.

Of the shares covered by the Options and RSUs, one-third will vest on each of the first three anniversaries of the grant date, in each case for so long as the grantee provides continuous service to Anika through the relevant vesting date.

Unless earlier terminated in accordance with their terms, the Options will expire on the tenth anniversary of the grant date and the grants are otherwise subject to the terms and conditions of the respective equity award agreements approved by Anika. The Options and RSUs were granted pursuant to the Anika Therapeutics, Inc. 2021 Inducement Plan, as amended, which was not subject to stockholder approval.

About Anika

Anika Therapeutics, Inc. (NASDAQ: ANIK), is a global joint preservation company that creates and delivers meaningful advancements in early intervention orthopedic care. Leveraging our core expertise in hyaluronic acid and implant solutions, we partner with clinicians to provide minimally invasive products that restore active living for people around the world. Our focus is on high opportunity spaces within orthopedics, including Osteoarthritis Pain Management, Regenerative Solutions, Sports Medicine and Arthroscopic Joint Solutions, and our products are efficiently delivered in key sites of care, including ambulatory surgery centers. Anika’s global operations are headquartered outside of Boston, Massachusetts. For more information about Anika, please visit www.anika.com.
